## RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Commissioner For Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants received a Notice of Non-Compliant Amendment stating that the Amendment filed July 2, 2004 in the above-referenced application did not comply with 37 CFR 1.121. Applicants do not disagree. However, this application is a reissue application. Accordingly, amendments are governed by 37 CFR 1.173(b)(2), not 37 CFR 1.121.

**S/N 09/512,894**  
**Attorney Ref. No.: 33-759**

37 CFR 1.173(b)(2) states that each changed patent claim and each added patent claim must include markings pursuant to section d. Section d, in turn, requires that matter to be added by reissue must be underlined. The underlined claims presented in the July 2, 2004 amendment therefore are a clean version of the amended claims as is appropriate for a reissue application.

Applicants note that this is the *second* time that they have received a Notice of Non-Compliant Amendment for this reissue application. The previous Notice was overcome by the same arguments made herein. If any further questions remain about the Amendment, Applicants respectfully request that the Examiner contact the undersigned attorney at (312) 321-4713.

Respectfully Submitted,

Dated: August 19, 2004
